

Sinclair Broadcasting plans to use OUR AIRWAVES to illegally campaign against John Kerry by airing a 90 minute swift boat ad. This is an outrageous abuse of our commonly owned airwaves, as well as another possible nail in the coffin of our dying democracy.

So many people who are in a position to do so are dishing up favors for the wealthy, but when it becomes clear that these are suicidal actions to our democracy, our security and our freedom, many people who were in position to accelerate or slow down this runaway train may well regret their contribution to our nation's demise.

Please don't be among them. Stop this outrage, please!
Thanks, Glenn Goodman
